Lean Manufacturing Series Coming to Selsius™ in May

Selsius™ Corporate & Career Training, a division of Southwestern Illinois College, has teamed with IMEC to present a series of workshops on applying lean manufacturing principles, concepts and techniques.

Eight courses will be offered over six weeks:

- Lean Manufacturing Overview with Simulation
- Lean Leadership/Change Management
- Value Stream Mapping and 5S/Workplace Organization
- Quick Changeover
- Cellular/Flow Manufacturing
- Pull/Kanban Systems and Total Productive Maintenance

This series runs Fridays from May 4 to June 15, excluding May 25. Sessions will be held from 8 a.m. to 4 p.m. at the Sam Wolf Granite City Campus, 4950 Maryville Road. The deadline for registration is April 30.

Companies that attend will receive a free on-site lean assessment.
